## GULF SHORES SWIM TEAM

The Bodenhamer Center offers a year-round swim program for the youth of Gulf Shores. Our season starts August 29th and will run through the end of April. Our ages range from 4 years to 18 years old. Head Coach Brook Monroe Hopkins will determine which age group you are in by ability and commitment level. If you would like to try the Gulf Shores Swim Team, we offer a one-week trial period before any payments are due. Meets we attend will range from the Pensacola, Mobile, Auburn and Panama City areas. Meets are an excellent opportunity for children to show off their hard work, however, they are not a requirement to be on the team.
